THE LEDGER thanks Agent Wikoff of the C. and O. for a beautiful picture of the Jamestown Ter-Centennial Exposition, showing every feature of the big show and more warships than were ever seen before on paper. The exposition opens next Friday and the main travel to it from the West will be over the C. and O. through Maysville.

One saloon for every 500 inhabitants will be the rule in Paducah hereafter, which will cut down the number from ninety to sixty. Threats of local option caused the City Council to propose such legislation at a recent meeting. When a saloonkeeper's license is revoked, or he goes out of business, no new license will be granted until the number is reduced to sixty. The legislation meets the approval of the saloonkeepers.

WHO IS HE?

Man in Cincinnati Workhouse Says Partner Died at Maysville

Saturday's Times-Star.

"What's the use of divulging his name now? He's dead, and it would do no good." So said Charles Griffin, who is doing a long workhouse term for burglary, when informed that his pal, whose name he stubbornly refused to tell, had met death at Maysville, Ky., several days ago. He says his partner was injured and that tetanus developed.

Nothing is known of the parties here, at least as far as THE LEDGER can learn.

GATHERED AT THE RIVER

Thousands Witnessed the Immersion of Colored Baptists Sunday Afternoon

announced in former issues of this paper colored baptizing scheduled for Sunday afternoon occurred under very favorable auspices. The weather was propitious and the crowd gathered on the banks of the Ohio at Mathews' dining in the Fifth Ward was estimated at 4,000. The occasion was solemn and spectacular as all of such out of door meetings this class are.

There were seven candidates to receive the tes of baptism at the hands of Rev. O. A. Nelson, Pastor of the Washington Tabernacle of the Baptist Church, Colored.

The impressive ceremonies were photographed by Artist Sulser, while the Reverend Nelson was officiating. Another immersion will very likely follow at the same place by the same Minister.

The crowd present was probably nearly half white people.

Mason County Republicans Send Solid Siler Delegation to Mt. Sterling Convention

The Republicans of Mason county assembled in mass convention Saturday afternoon at the Courthouse in Maysville for the purpose of appointing delegates to the Mt. Sterling Convention to nominate a candidate for Railroad Commissioner in this, the Third Kentucky District.

The session of the convention was "short and brief" and there was no occasion for speech-making and pyrotechnics.

Hon. W. D. Cochran, Chairman of the Mason County Republican Executive Committee, called the meeting to order and stated the object.

Hon. W. H. Cox was elected Chairman of the Convention and W. W. Lynch, Secretary.

On motion the 20 delegates from Mason county to the Mt. Sterling Convention were instructed to cast the solid vote of the county for Hon. A. T. Siler for Railroad Commissioner.

All good Republicans of the county were named as delegates.

There are 48 counties composing the District and there will be 790 votes in the convention.

Mr. Siler has no opposition and every one of the 790 votes have been instructed for him. Therefore the Mt. Sterling Convention next Wednesday will be a mere formality of ratifying the action of the counties and endorsing the Hon. A. T. Siler for another term on the State Commission.

Maysville Commandery Knights Templar will hold an important meeting this evening at Masonic Temple in Cox Building.

The Bethel, Ohio Journal says: "Rev. and Mrs. R. H. Dedson, of New Antioch, Ohio, are rejoicing over the appearance of a new son, R. H. D., Jr."

The decision means that the rectifiers will have to pay to the state between \$300,000 and \$400,000, unless the Supreme Court of the United States, to which an appeal probably will be taken, should reverse the decision of the Kentucky courts.

We try to please every one. We buy from reliable houses only. We buy dependable goods. We use our best judgment and try to be careful in our selections. TELEPHONE No. 33. G. W. GEISEL, OPPOSITE OPERA-HOUSE

A NEW law proposed in Wisconsin prohibits minors under 16 years of age from using tobacco in any form. Another instance where prohibition won't prohibit.

THE entire country, and, particularly Kentucky, is disgusted with the trials of the Hargis clan. Better turn the entire bunch loose the Breathitt vendetta do its own work.

EVELYN NESBIT moving pictures are barred from exhibition at Hackensack, New Jersey. EVELYN moves just a little bit too fast for the average American—and that's a-going some.

THE Frankfort Journal, whose able Editor has just been soaked \$2,000 worth by a Jury, declares that the salutatory of "gentlemen of the Jury!" is not a good innovation, and that "not all jurors are gentlemen by a long shot."

A "medical doctor" of Berlin declares that the best cure for neuralgia is the injection of alcohol. Don't say whether to use a whisky glass or a hypodermic syphon. For snake bites, an inch rubber hose connected with a still house or blind tiger is guaranteed to cure every time.

EVERY time the Government takes a step in the Pure Food direction, everything to eat goes up in price by leaps and bounds. There are thousands of articles of food not affected by law in any way, yet they've all been boosted out of sight in price. Why, even a tough old hen sells for a dollar.

THE wild-eyed rumor printed in The Commercial Tribune, in regard to President Roosevelt dropping W. H. TAFT and boosting HUGHES for President, is just a little too transparent for serious consideration. Whenever Mr. ROOSEVELT gets to wabbling in his choice or his policies, the people will be de-light-ed to drop him and forget him.

GOVERNOR BECKHAM's machine continues in perfect working order. The ukase has been promulgated from the Capital City, that W. J. GOOCH, of Simpson county, will be the next Speaker of the Kentucky House of Representatives; provided the Democrats win enough members to elect him. The Governor is about at the zenith of his luck and power and will soon begin doing the toboggan skiddoo act.

It is stated that Mr. DELMAS blames HARRY THAW for the Jury's disagreement. It does look like THAW has a very bad case of exaggerated big head, and pig-head, too. If STANFORD WHITE's slayer had conducted himself modestly, as a "gentlemanly murderer" should, the Jury probably might have acquitted him. All things point to the fact that DELMAS was greatly handicapped by his associate counsel in the case, as well as by THAW, and that the mouthy and uncalled for talk of THAW, both in the Tombs and in the courtroom, is what influenced the seven Jurymen to stand firmly for conviction of murder in the initial degree.

All Kinds of Money

GOOD ROADS.

With only one dissenting voice the Fiscal Court authorized an issue of \$100,000 worth of Christian county bonds, the proceeds from which are to be used in extending the turnpikes of the county. The bonds will be for 30 years and bear 5% interest, payable semi-annually, dating from July 1st. They will be offered at public auction on June 4th. People living along the roads which it is proposed to pike are so anxious for the improvement that they are contributing generously, and the total amount realized will be not less than \$150,000. In 1900 the county purchased all turnpikes and made them free, the system at present embracing about 125 miles. The new extensions are expected to increase this to not less than 200 miles.

In nothing does man so nearly resemble the Creator as in road building. Turnpikes, when engineered and built according to the lay of the earth's surface and not as a boundary or division line between farms, should be as enduring as their counterpart—the everlasting hills. The roads now being built will be criticised in the light of progressive intelligence of future generations.

It is a well known fact that long, steep grades, meted by coarse material, aggravated by barbarous, unsightly watersheds (so called) tax to the utmost the vitality of horses that are beyond doubt a farmer's most valuable asset. Dumb animals give us object lessons along this line. They instinctively climb a hill by easy curves around it. Yet turnpikes over which monstrous loads are drawn by patient horses are built straight up steep hills.

In building railroads care is used in constructing expensive cuts, fills, tunnels and bridges that heavy pulls may be eliminated as much as possible. This is done to save motive power, which is inanimate coal. The motive power on turnpikes is horse flesh, to which the only consideration due is, judging by daily scenes, to be driven or beaten. Instances of thoughtlessness, and we might add heartlessness, in road building is near at hand. Let those interested observe the pike as it ascends from Bull creek valley trending toward Maysville. It first ascends a steep grade; then descends slightly to a given point. Then observe the old country roadbed on the right, how it naturally and easily curves around the hill to the same given point. Going East on this same road observe the ter-

TWICE-TOLD TESTIMONY.

Maysville People Are Doing All The Can For Fellow Sufferers.

Maysville testimony has been published to prove the merit of Doan's Kidney Pills to others in Maysville who suffer from bad backs and kidney ills. Last any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Maysville people saying that the cures they told of years ago were permanent. Here's a Maysville case:

Henry Bertram, shoemaker, of 27 East Third street, Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills I had suffered for some time with backache and a tired feeling and having aching in and about the kidneys. Being a shoemaker, I thought my trouble was caused by my work for every time I took odd it settle in my back. Doan's Kidney Pills quickly rid me of the trouble and never from that time this, have I had any cause to complain of a back or kidneys. Doan's Kidney Pills perform exactly what they promise, and I will say it in my opinion there is no remedy for kidney disorders equal to Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y. for the United States.

Remember the name—Doan's—other.
